## PIPE BUMPER GUARDS

Each parking space designated as reserved for environmentally limited persons shall be equipped with a sign which complies with Section 4.6.4 Signage of the Federal Register (Department of Justice Rules and Regulations, 28CFR Part 36) and meets the requirements of Sign R7-8 (U.S. Department of Transportation Standard). At least one of such required signs shall have an additional sign "Van - Accessible" mounted below the symbol of accessibility. Signs shall be located on post within 5' of parking stall w/ bottom of 18" sign @ 6'-0" above top of pymt.

Provide a 6"x12" fine sign which complies with all applicable codes to be mounted directly below each handicapped parking sign. Verify fine amount with local authority.
